ICBC Bargaining Update #17: ICBC Delays Bargaining...Again

Tuesday, January 17, 2012

To: All COPE 378 Members at ICBC

Further to our [last bulletin](#) of 2011, ICBC is again delaying the bargaining process. ICBC has not agreed to bargaining dates for January, February, or most of March. As if putting off discussions will suddenly make your issues disappear, they have tentatively agreed to March 29 and 30 as the next time they are willing to sit down with us at the bargaining table.

Your bargaining committee is extremely upset that ICBC will not come to the table before the end of March to address the issues important to you: workload, job security, wages and benefits. While, at the same time they continue to push forward with their 2014 Transformation Plan.

As a result of ICBC 's failure to come to the table and negotiate we are scheduling strike vote meetings for the Province. Strike vote meetings cannot be done at ICBC worksites so after hours meetings will be scheduled. We will provide further details once the arrangements are finalized.

Your Bargaining Committee,

Yasmin Carroll, Executive Board Member
Karin Cirez, Executive Board Member
Mike Ferguson, Executive Board Member
Joyce Galuska, Executive Board Member
Trevor Hansen, Executive Board Member
Jeff Gillies, COPE 378 Vice President
Jaime Zygmunt, Senior Union Representative
